Roar medal winners

Well done to all the competitors – what a great result for the vocal troupe team!

Particularly well done in the Musical Theatre section where we secured a 1st, 3rd and Highly Commended out of a field of 20 competitors.

This section was judged by Paul Sabey who heads the prestigious Music Theatre course at the Queensland Conservatorium of Music.

ROAR offers a programme of tuition in the Triple Threat skills – singing, acting and dancing – to young people aged 5-17yrs and gives them numerous performance opportunities to develop these skills, such as the Redlands Eisteddfod and the recent Mothers' Day Concert held at the teaching premises at 55 Miller Street, Kippa Ring.
